

Notifiable aid:

- i. new aid (draft laws, regulatory, or administrative acts, based on which aid is granted);
- ii. alteration to existing aid which may affect its compatibility with competition (e.g. in terms of purpose, duration, financing sources, recipients of aid and/or amount if increased by 20% or more).

Non notifiable aid:

- i. De Minimis aid (up to €200,000 to a single undertaking over any 3-year period) except for export aid or aid contingent upon the use of domestic over imported products;
- ii. block exempted categories of aid*;
- iii. increase of the original amount of the existing aid programme by less than 20%.

*As of the date of the publication, no block exemptions have been adopted yet.
